Invitation to Participate in the Arab Para Taekwondo Basics Championship 2026 (online)

Dear players, coaches, clubs and academies,

The management of the Arab Para Taekwondo Basics Championship 2026 is honored to invite you to take part in this championship, a completely free online sports initiative based on videos of basic skills performed according to the official instructions.

The championship gives Para Taekwondo athletes the chance to showcase their abilities and skills. It celebrates willpower, skill and sporting participation, and affirms that every champion has a place on the podium of challenge.

“Champions know no limits”

“Your will is stronger than any challenge”

“You are champions of determination”

With our utmost respect and appreciation,

Management of the Arab Para Taekwondo Basics Championship 2026

Organizers and Officials

Championship director and initiator	Palestinian Captain Ibrahim Al-Haj
In charge of refereeing and technical organization	International referee Ali Nour
Media and communication	Captain Taekwondo
Registration platform	Captain Adel's SportLand platform Official link added after approval
Official announcement date	1 November 2026
Official sponsor	The name will be added after official approval Pending approval

Management Responsibilities

1. Announcing the registration links and official videos.
2. Clarifying participation conditions and categories.
3. Organizing the receipt of entries.
4. Coordinating with the technical and refereeing officials.
5. Announcing dates and results through the official channels.

Age Categories for Participants

1	**Under 8 years**	UNDER 8
2	**Under 11 years**	UNDER 11
3	**Under 14 years**	UNDER 14
4	**Under 17 years**	UNDER 17
5	**Under 30 years**	UNDER 30
6	**Under 40 years**	UNDER 40
7	**Under 50 years**	UNDER 50
8	**Over 50 years**	OVER 50

Organizational note

The final category limits and the date used to calculate age will be approved by the organizers before registration opens, to remove any possible overlap between categories.

Belt Groups and Classification

Level 1	White and yellow belts, all grades
Level 2	Green and blue belts
Level 3	Red and black belts

Para classification codes

For guidance only

P10	Visual impairment
P20	Intellectual impairment
P30	Includes P31, P32, P33 and P34: various neurological or motor classes under the approved classification system
P40	Limb impairment or limited mobility
P50	Wheelchair users
P60	Deaf or hearing impairment
P70	Short stature according to the approved measurements

A preliminary, guidance-only classification. It is not a final determination of an athlete's class nor proof of eligibility. The codes are not a final official classification and remain subject to official technical approval.

Filming Instructions for Your Entry

1. **Fix the camera**
   Keep the phone or camera on a stand or a steady surface throughout, and avoid shaking.

2. **Show the whole athlete**
   Keep the athlete fully inside the frame as far as possible, with enough space around them.

3. **Lighting and background**
   Choose good lighting that shows the athlete clearly, and a simple, uncluttered background.

4. **Safe space**
   Make sure there is a safe, obstacle-free area that suits the athlete's movement.

5. **No effects**
   Do not use effects, cuts or edits that hide the performance or part of the movement.

6. **Official guide video**
   Follow the official guide video for your level and the skills it shows.

7. **Athlete's needs**
   Suitable adaptations for the athlete's needs may be used, without affecting the clarity of the performance.

KEY TO PERFORMANCE

Illustrative Guide to Filming Your Entry

How to Film Your Entry
Video Recording Instructions

Front view

Show the whole athlete inside the frame.

Side view

Film at 90° with the whole athlete inside the frame.

Examples of incorrect filming

Too close (body not fully visible)

Poor, unclear lighting

Cluttered or unsuitable background

Wrong angle (tilted)

Filming Instructions

1. Keep the phone or camera steady while filming.
2. Keep the whole athlete inside the frame (front or side view).
3. Choose good lighting and an uncluttered background.
4. Make sure the space is safe and suits the movement.
5. No effects or cuts that hide the performance.
6. Follow the official guide video for your level.
7. Respect the athlete's needs and use suitable adaptations without affecting clarity.

Following these instructions helps us score more accurately and shows our champions at their best.

Important note:

Any video that does not follow these instructions may be excluded from the competition.

Captain Taekwondo — 2026

A space reserved for the coach card design, to be added later

The fields are left empty (coach name, club or academy, country, registration number) until the championship management approves the details. No names or membership numbers are added before then.

General Terms and Instructions

1. Entries are submitted as a performance video, according to the requirements of the level announced by the management.
2. The age category is set according to the age-calculation date announced by the management before registration opens.
3. The athlete's actual belt is recorded according to the approved belt groups.
4. The video must be clear and show the athlete and their full movement as far as possible.
5. Correct athlete details must be attached, including name, category, belt, club, country and gender.
6. The athlete's needs and suitable adaptations are respected while keeping the performance safe and clear.
7. Para classification codes and the scoring system are subject to official technical approval before the competition starts.
8. Registration links, videos, dates and prizes are announced only through the official channels.
9. The participant or their guardian is responsible for the accuracy of the data sent and for following the registration instructions.
10. For inquiries, contact the championship management through the official channels.
